

All operators who cut grass shall be trained on the proper operation of the tractor (or mower) they are using by experienced personnel.

For an employee using a tractor to cut highway right-of-ways, the operator shall work in tandem a minimum of five (5) shifts with an experienced operator. For an employee using a small lawn mower, a minimum of one (1) hour with a competent operator is required.

All repair work to the equipment shall be carried out by trained personnel who are familiar with the equipment.

At all times during the cutting operation of the equipment (tractors), the operator shall wear his seat belt, safety glasses, ear protection, other County of Elgin required safety equipment and shall have all guards in place.
