Human Resources Policy Manual

Code - **A**

Page 1 of 1

Section: **8**

Subject: **Surface Treatment**

Policy Number: **8.250**

Date Approved: **Dec. 12/91**

Date Last Revision:

All personnel that are involved with surface treatment shall see the video entitled "ELF ASPHALT" and be a passenger in the operation, to view the sequence of operation from trained personnel, for a minimum of one (1) shift.

Then the employee shall have a trained operator with him until both the employee and his supervisor feel competent in his operation of the equipment.
